

98%

OF STUDENTS SAY THEY WOULD RECOMMEND SONOCENT SOFTWARE

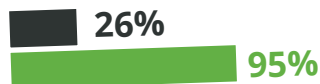

...PLUS MORE FINDINGS FROM OUR 2016 USER SURVEY

We asked students whether they agreed with these statements...

● BEFORE SONOCENT

● AFTER SONOCENT

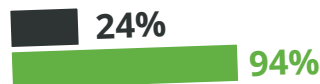

"I found it easy to take good notes"

"I felt able to study independently, without help from others"

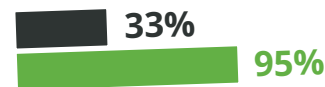

"My notes were as good as, or better than, my classmates"

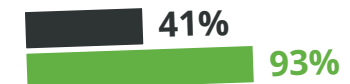

"I was very well prepared for exams, essays, presentations and large projects"

"My notes were organised and easy to find"

"I was engaged throughout my lectures"
